

PU FABRIC CARE

Regular Care

Protect from direct sunlight.

Vacuum routinely with a soft brush attachment to remove dust and debris. Use low suction to avoid damage to the fabric.

Keep at least 30cm away from direct heat sources.

Cleaning

Remove liquid spills immediately with a clean dry cloth or paper towel.

Clean using a soft cloth or paper towel dampened with warm soapy water.

Wipe off excess cleaning liquid with a soft dry cloth or paper towel and dry in shade, away from direct heat.

Proprietary brand vinyl cleaning agents, used as described in manufacturer's instructions, can be used but must be tested in a hidden spot initially..

Do not use abrasive powders or pastes.

Do not use spirits and alcohols.

Do not use bleach.

Do not clean with on-site hot water extraction machines or on-site dry cleaning machines.

Spot Cleaning

Clean as above. For persistent marks seek professional advice.

If you have any questions or require advice please contact your local furniture store.
